Dear Sir:

This Response regards the Office Action mailed April 29, 2004. The proposed Response is necessary and was not earlier presented because it responds to the Advisory Action mailed on July 27, 2004 that provided new arguments why the rejection based on obviousness-type double patenting was proper. It is not believed that this Response will require further consideration from the Examiner to an extent that a new search need be performed. Furthermore, since a Terminal Disclaimer is being filed concurrently with the Response the rejection based on obviousness-type
